

Curriculum vitae C. Retel

Personal details

Name: Retel
First name: Cas
Address: Maihofstrasse 32
Postal code, city: 6004 Luzern, Switzerland
Telephone: +41 76 6962441
E-mail: casretel@gmail.com
Date and place of birth: 29 september 1990, Zoetermeer
Gender: Male
Nationality: Nederlands

Researchgate profile: https://www.researchgate.net/profile/Cas_Retel

Career

01-2016 – now **PhD candidate**, University of Bern, dpt. Aquatic Ecology and Eawag, dpt. Fish Ecology and Evolution. Working title: Demography versus selection in host-virus coevolution.

02/2015 – 08/2015 **MSc thesis**, Naturalis Biodiversity Center, dept. Marine Zoology. Subject: Next-Generation phylogeography of Chaetognaths (= plankton group) across the Atlantic Ocean.

02/2014 – 08/2014: **MSc thesis**, VU medical center, dept. Biostatistics & Epidemiology, Amsterdam. Subject: Simulation-based power calculation for RNA-seq differential expression analysis.

Education

09/2012 – 08/2015 **Statistical Science for the Life and Behavioural Sciences (MSc)**, Leiden University. Average grade: 7.8/10.

09/2014 – 08/2015 **Biology (MSc)**, Leiden University, track General Biology. Average grade: 8.0/10.

09/2009 – 08/2012 **Biology (BSc)**, Leiden University. Major in Molecular and Cellular Biosciences (150 ECTS). Minors in Journalism and New Media (15 ECTS) and Literature (20 ECTS). Average grade: 8/10. Subject of bachelor research project: Genetic engineering of cyanobacteria for enhanced biofuel production.

Teaching experience

09/2017 **Tutor**, Bern University. Assisted practical sessions in bachelor's course Introduction to R programming and Analysis.

09/2016 **Tutor**, Bern University. Assisted practical sessions in bachelor's course Introduction to R programming and Analysis.

09/2015 – 12/2015 **Student assistant**, Leiden University. Assisted practical sessions in two bachelor's courses on Statistics.

Contributions to meetings and conferences

03/2018	Presentation , Wegmann group seminar, University of Fribourg
02/2018	Presentation , Biology18 conference, University of Neuchâtel
08/2017	Poster , ESEB conference, Groningen
03/2017	Presentation , Annual Workshop of DFG Priority Program 1819: Rapid Adaptation, Potsdam
06/2016	Poster , conference on The genomic basis of eco-evolutionary change, Ascona

Extracurricular

Other hobbies:	Running (completed TCS Amsterdam Marathon 2014 in <3hrs), hiking, road cycling, skiing and reading (mainly fantasy).
